Georgia Relay is the convenient, easy-to-use telecommunications system for Georgians who are deaf, hard of hearing, deaf-blind or have difficulty speaking.

Georgia Relay is a FREE public service administered by the Georgia Public Service Commission that makes it possible for people who are deaf, hard of hearing, deaf-blind or have difficulty speaking to communicate over the telephone. A specially-trained Communication Assistant (CA) facilitates the call. All relay calls are confidential and there are no records kept of relay conversations. Relay services are available 24 hours a day, seven days a week, 365 days a year. There's no limit on the length or number of calls you may place or receive.

Anyone may initiate a Georgia Relay call, simply by dialing 7-1-1.
